POKERTEK ANNOUNCES DISTRIBUTION NETWORK FOR NEW AMUSEMENT PRODUCT

Matthews, NC – June 21, 2007: PokerTek, Inc. (NASDAQ: PTEK) announces a comprehensive distribution network for *Heads-Up Challenge™ World Series of Poker® Edition*, its new arcade-style heads-up poker table that allows players to battle each other in Texas Hold'em poker for entertainment purposes.

This network enables PokerTek to place *Heads-Up Challenge* units by partnering with leading distributors in the Amusement industry. "This product is the most innovative product I've seen introduced to the industry in years," said Jon Brady, Chairman of the American Amusement Machine Association and Vice President and Secretary of Brady Distributing Company. "With the popularity of poker and the incredible design of this game, we are anxious to get it out to our customers and rejuvenate the market. This product is truly a breath of fresh air."

"We performed extensive research, signing the top distributors in North America, and securing the leading distributors internationally. We are confident that their expertise will lead to a successful product rollout," said James Crawford, President of PokerTek. "*Heads-Up Challenge World Series of Poker Edition* is a fun game that people love to play. This elite collection of distributors will give us the broadest reach, and enable players everywhere to enjoy this revolutionary new product."

PokerTek's domestic distributors for *Heads-Up Challenge* include:

- American Vending Sales
- Betson Distributing
- Brady Distributing Company
- C.A. Robinson & Co.
- Greater Southern Distributing
- H.A. Franz and Co.
- Lieberman Companies
- Mountain Coin Distributing
- Shaffer Distributing Company

About PokerTek, Inc.

PokerTek™, Inc. (NASDAQ: PTEK), headquartered in Matthews, NC, develops and markets PokerPro® and PokerPro Heads-Up™, automated poker tables and related software applications developed to increase casino revenue, reduce expenses and attract new players into poker rooms. PokerPro tables are located in the United States, the United Kingdom, Australia, South Africa and on several major cruise lines. PokerTek entered the Amusement space by introducing Heads-Up Challenge, a heads-up poker table targeted to bars and entertainment venues catering to adults who play for entertainment only. This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and are made in accordance with the Private Securities Litigation Reform Act of 1995. The forward-looking statements herein include, but are not limited to, the expected adoption of the PokerPro® systems by casinos and other customers, and the expected acceptance of the PokerPro® systems by players. Our actual results may differ materially from those implied in these forward-looking statements as a result of many factors, including, but not limited to, overall industry environment, customer acceptance of our products, delay in the introduction of new products, further approvals of regulatory authorities, adverse court rulings, production and/or quality control problems, the denial, suspension or revocation of permits or licenses by regulatory or governmental authorities, termination or non-renewal of customer contracts, competitive pressures and general economic conditions, and our financial condition. These and other risks and uncertainties are described in more detail in our most recent annual report on Form 10-K filed with the Securities and Exchange Commission. Forward-looking statements speak only as of the date they are made. We undertake no obligation to update or revise such statements to reflect new circumstances or unanticipated events as they occur, except as required by applicable laws, and you are urged to review and consider disclosures that we make in the reports that we file with the Securities and Exchange Commission that discuss other factors germane to our business.
