**Matthews, NC – November 9<sup>th</sup>, 2007:** PokerTek, Inc. (NASDAQ: PTEK), the industry pioneer and worldwide leader in automated poker tables and related software, is pleased to announce that one of the world's largest and most profitable casinos, Mohegan Sun in Uncasville, CT, recently installed twelve PokerPro tables.

PokerPro allows us to bring new technology to the poker community.”

Mohegan Sun, which currently has over 300,000 square feet of gaming space, houses over 300 table games with over 20 different varieties, and nearly 6,200 slot machines. And now the Northeast's premier entertainment destination has added eight PokerPro ten-seat tables, and four Heads-Up tables, to that list.

“Mohegan Sun is an amazing property and we're proud they've selected PokerPro to help them relaunch their poker business,” said Chris Halligan, Chief Executive Officer of PokerTek. “Working with Mohegan Sun's team reaffirms for us the importance of working with committed operators whose teams are enthusiastic about our products.
