

## **PokerTek to Unveil New Multi-Game Platform**

### ***ProCore™ Enables Expansion into Pit-Style Table Games***

**Matthews, NC – June 18, 2010:** PokerTek (Nasdaq: PTEK), the industry leader in automated poker tables, will unveil its new ProCore™ platform at its annual shareholder's meeting to be held Tuesday, June 22, 2010. ProCore is a complete automated table game solution, expanding on the PokerPro technology and allowing multiple table games to be run on a single efficient, economical platform.

“ProCore is a game-changer for operators,” said Mark Roberson, PokerTek’s CEO and CFO. “Our PokerPro system has been accepted as the clear leader in automated poker due to its reliable and efficient operator features and its intuitive player-friendly game play. ProCore represents an evolution that now allows us to expand beyond the poker room and into pit-style table games. Our first new game offering will be Blackjack, which we expect to rollout to operators during the second half of 2010.”

PokerTek’s ProCore solution is comprised of the ProCore Table and the ProCore System.

- The ProCore Table is a multi-game, multi-player platform with significant technology advancements. The flexibility of the ProCore Table allows for one- to twelve-seat games in any configuration.
- The ProCore System is comprised of several centralized components that enable multi-game deployment and provide management, visibility, regulatory compliance and auditing for multiple games across the gaming floor.

ProCore is a versatile and affordable solution for operators looking to offer a variety of multi-player electronic table games on a single, secure and robust platform. As PokerTek introduces new games, they can be added quickly and easily, giving operators new ways to attract and retain their valuable guests. With multiple games available, operators can change the game at the table with the touch of a button to adapt to player demand.

Current customers will be able to add new ProCore tables alongside their existing PokerPro tables with a simple software upgrade while utilizing their existing server and system components.

PokerTek’s shareholder meeting will be held on Tuesday June 22 at 2:00pm.

**About PokerTek:**

PokerTek, Inc. (NASDAQ: PTEK), headquartered in Matthews, NC, develops and markets products for the casino and amusement industries. PokerTek developed PokerPro automated poker tables and related software applications to increase casino revenue, reduce expenses and attract new players into poker rooms by offering interactive poker that is fast, fun and mistake-free.
